MAGAZINE CREATION

The KeziYAH is a fringed kaftan dress [and headwrap] for the ladies that understand comfortability and glam can go hand in hand. The name Keziyah is of Hebrew origin meaning cassia tree or sweet smelling spice.

All your garments smell of myrrh, and aloes, and cassia, out of the ivory palaces, whereby they have made you glad. Kings' daughters were among your honorable women: upon your right hand did stand the queen in gold of Ophiyr. **TEHILLIYM (PSALMS) 45:8-9 אֶת צֶפְהֵר**
